

Writing Our History

Methuen Neighborhood Project

Do you know the history of your neighborhood? Looking to learn more about where you live? We are looking for past & current residents of Methuen to share their memories and tell us about the old neighborhood. What did your neighborhood look like 50 plus years ago? The neighborhoods in the City of Methuen possess many unique qualities that should be preserved and shared with future generations.

The **Methuen Historical Society**, the **Nevins Memorial Library** and the **Methuen Historical Commission** would like to invite current and past residents to participate in the writing of Methuen History.

The first round of discussions will be held at the Nevins Memorial Library. We have divided the discussions and the city into three sections. Although we will be concentrating on these neighborhoods, and everyone is welcome to all the chats! You may have grown up in the Glen Forest neighborhood but now live in Ayer's Village and work on Broadway! Feel free to come to all the sessions!

West End

July 1st 10-12

July 14th 1-3

East End

July 7th. 1-3

July 15th 10-12

Central

July 8th 10-12

July 21st 1-3

We will be holding additional discussions in the evening hours. Look for those times and dates to follow.

Whether you have information to share or wish to learn about your city please join us! For more information contact info@methuenhistoricalsociety@org.
